SECOND SUN - 26

Monkey 47 Gin / Zero-waste Vermouth /
Carob / Trigona Honey /
Citric-adjusted Orange / Foamee

Second Sun is a zero-waste cocktail where discarded ingredients are given a second life - where what once seemed spent, has the opportunity to shine again, just as a Second Sun would.

This zero-waste philosophy also extends to the vessel - each cocktail is served in biodegradable handmade clay cups, crafted by the local community.
